PERSONAL PROFILE

Enthusiastic Financial Economist with a history of working in the management consulting industry, as a research assistant and as a junior analyst. Skilled in Microsoft Excel and Stata for data analysis and manipulation. Strong analytical skills with a Bachelor of Business Science focused on Financial Economics from Strathmore University.

EXPERIENCE

Research Assistant • Strathmore Africa Data Analytics Centre • May 2020 – To Date

Conducting experiments and research according to protocols laid out by my supervisor and conducting statistical analyses of data sets.

Consulting intern • Asia Africa Investment and Consulting • Jan 2020 – March 2020

Conducting market research, financial and pricing analysis, and analysis of the fields of interest of our clients as thereof would be assigned by my team leader.

Junior Data Analyst • Strathmore University Medical Centre • Jan 2019 – Mar 2019

Auditing of the medical data capture system of the medical centre and a review of the financial performance of the institution.

Student Assistant • Strathmore Institute • July 2017 – Jan 2020

Worked at the Strathmore Institute of Management and Technology as a student assistant to cater for my accommodation while within the campus. Duties encompassed assistant administrative responsibilities as linking the students to the administration and as would otherwise be assigned.

EDUCATION

BBS-FE • Strathmore University • July 2016 – To Date

Studying Bachelor of Business Science in Financial Economics. At the moment, I am awaiting my graduation after completing my coursework as required for my degree program.

Extra curriculum activities at Strathmore University

Mentoring: Served as a mentor within the Macheo Program, currently with three mentees in form four from Kawangware Slums(2016 – To Date)

Student Associations: A member of Strathmore University Finance and Financial Economics Student Association(SUFFESA), 2016 – 2020

Kanga High School • 2012 – 2015 • A- Of 78 Points

Completed my high school education obtaining a mean grade of A- of 78 points, having served as Dormitory Captain and the YCS Chairperson for Kanga School and Homa Bay Diocese.

Ratang'a Primary; St. Mary's Nyarongi • 2000 – 2007; 2008 - 2011 • 373 Marks

Completed my primary school education in St Mary's Nyarongi, obtaining 373 marks at the time of my KCPE. During my years in both Ratang'a and St Mary's I served as class prefect and would end up as the first Head prefect for St Mary's Nyarongi.

TECHNICAL SKILLS

Developed extensive skills in various software for statistical, financial, and econometric analysis that include:

- Expert knowledge of Stata for data analysis.
- Proficiency in Microsoft Excel for Data analysis and modelling.
- Adept with Microsoft Office Suite; Word for Documentation and PowerPoint for Presentation.
- Intermediate competency in R and E-Views for Data analysis.
